January 2022

Dear Village Residents,

On behalf of the Lindenhurst Village Board, I am pleased to forward our 2022 Sanitation Collection and Recycling Calendar. This easy-to-read guide contains detailed information about our collection and recycling program. Everything that you need to know about refuse, yard waste, special pick-up, and any recyclable pick-up items are detailed inside this calendar.

This calendar is designed to ensure that your sanitation and recycling service is efficient, user friendly, and convenient. By following this calendar and its simple schedule, you are instrumental in the program's continued success.

I cannot stress enough how important it is to recycle -- newspapers, cardboard, plastic bottles and cans, etc. -- and don't forget about special pick-ups. All special pick-ups, including metal, can be scheduled by calling the Department of Public Works at 631-957-7520. Remember, recycling has many benefits. Recycling saves energy, conserves natural resources, and reduces pollution. Every Village resident is asked to put out their recyclables weekly, so please remember to do so!

Also, please note that when a holiday falls within the work week, any change in schedule is set forth by simply following your color and code as displayed on each page. There is also a list of regulations concerning the weight and the type of refuse which is acceptable. The refuse material that the Village collects, and how we collect it, is regulated by the Town of Babylon. Following these simple rules will enable our Sanitation Department to do their job more efficiently and safely.

If you have any questions, please feel free to contact Village Hall (631-957-7500) between 9:00 am – 4:30 pm, or our Department of Public Works (631-957-7520) between 7:00 am – 3:30 pm.

On behalf of the Lindenhurst Village Board, we wish you and your family a happy, healthy, and prosperous New Year.

Very truly yours,  
  
Michael A. Lavorata, Mayor

## DID YOU KNOW?

If we don't recycle,  
this is how long our trash  
can stay in the environment!

PAPER.....	2-5 MONTHS
PLASTIC BOTTLES.....	450-1000 YEARS
PLASTIC BAGS.....	10-20 YEARS
ALUMINUM CANS.....	80-100 YEARS
PLASTIC 6-PACK HOLDER.....	450 YEARS
GLASS BOTTLES.....	1 MILLION YEARS
STYROFOAM.....	NEVER (IMMORTAL)

Caring for our environment and conserving natural resources is important to all of us. Simple things like not littering and recycling bottles, cans and paper helps to keep our community clean and litter-free. Using canvas grocery bags reduces the amount of plastics in our waste stream. Not disposing of oil in our drainage basins helps to protect our drinking water and local public waterways. What we do locally helps all of us globally. Together we can make a difference.

### Remember to Recycle!

# IMPROVEMENTS AROUND THE VILLAGE OF LINDENHURST

The Village Board is committed to improving our community. Over the last year, various events and improvements took place including: the purchase of a new 100' Heavy Duty Aerial Tower Ladder Truck for the Lindenhurst Fire Department, the construction of a state-of-the-art, renewable energy Solar Carport at the LIRR Commuter Parking Lot, the receipt of a 2021 Vision Long Island Smart Growth Award, the installation of a flood-mitigation pump on South 8<sup>th</sup> Street, and the installation of solar energy panels at various Village-owned facilities, including Village Hall.

**STREET SWEEPING SCHEDULE** - Please refer to the designated map to determine your street sweeping zone (S1, S2, etc.). Cars must be removed from the street on the noted days to allow for proper sweeping. Once per month, April through October, all residential streets. Once per week East and West Hoffman Avenue, North and South Wellwood. No sweeping during January, February, March, November and December. In the case of inclement weather, sweeping will be done on following Wednesday. Sweeping may be switched to alternate days due to holidays. Please check this calendar.

**S1** - the "Linwood Area" - north/ west corner of the Village, west side of New York Avenue and to the western end of the Village, north of Hoffman Avenue.
